

## TSE/BSE - Declaration

421501J      ALBUMIN BOVINE SERUM

The raw material for this product was collected from animals in the USA in establishments registered with the USDA. The animals received ante and post-mortem inspections under a veterinarian's supervision and were apparently free from diseases.

At no time during collection or processing was the material commingled with any other material of animal origin. During processing this material was subjected to a pH of  $\leq 5$  and or  $\geq 65$  °C for at least 3 hours.

This product is sold for use in IVD, research, further manufacturing, or technical purposes only, and is not intended for use in diagnostic or therapeutic applications.
